

# ONLINE PANEL DISCUSSION:

## The Future of Online Assessment in Higher Education

23<sup>rd</sup> September 2022

Free online event to discuss the results of the evaluation survey study on higher education instructors, students and administrators' perspectives on online assessment in the four partner institutions involved in the Erasmus+ project **Remote.EDU**. Empower teachers for remote online assessment in higher education.

We kindly invite higher education instructors, students and administrators from FAU, KU Leuven, METU and UdL, as well as other higher education institutions, to take part in the discussion of the results as practice experts and contribute to develop meaningful instruments and a professional development course on online assessment for higher education instructors.

If you have any questions about the event, please contact the coordinator of the session (COMPETECS, UdL, partner institution in Spain): [victoria.marin@udl.cat](mailto:victoria.marin@udl.cat)
